

Sheboygan County Master Gardener Association
Member Interests and Skills

Member Name: _____

What talents or interests do you have that you could share with our group?

Example: I am an amateur photographer and I could take photos at group events.

What topics are near and dear to your heart that you could present information on to our group or another community group?

Example: I have been gardening in raised beds for 20 years, and I feel confident about sharing information about this topic.

What topic(s) would you like to learn more about?

Example: I would like to learn more about organic gardening and composting in a compost tumbler.

I am: Retired / Work part-time or fulltime

I work: days or evenings

I am available for meetings: daytime / evenings / weekends
